

# 6.S098 Homework 3

IAP 2022

The homeworks problems are drawn from Boyd's additional exercises found [here](#)

- 1) Problem 7.6, p. 91
- 2) Problem 7.13, p. 94
- 3) Problem 20.6, p. 231
- 4) Problem 20.8, p. 233. For Julia, do `using Random; Random.seed!(3); R = round.(rand(20, 10))`
- 5) Is there anything you need for your project that the teaching staff can provide?
